President's Message

Lumelang Motsoelle:

Despite the hardships and challenges presented by COVID-19, I am pleased that the Friends of Lesotho (FOL) managed to stay relevant, and to continue to make a meaningful impact in the lives of the Basotho. I believe that much of our continued success comes from our dedicated board and committee members (all of whom are staying on board this year) as well as the many individuals who support and partner with FOL. FOL has continued to grow and search for new ways to make a meaningful difference in the lives of the Basotho. We have continued to make a positive impact on the people of Lesotho, and continue to look for new partners as to make an even more meaningful contribution. I think I speak for all of us when I state that FOL is a labor of love, for a people and country that has become part of our lives. Serving as President of FOL has allowed me to work with a wonderful group of people as well as allowing me to stay connected to Lesotho through the volunteers we support and the Basotho who seek FOL out. I am proud that FOL has developed a strong reputation with the diaspora, and that people seeking answers about Lesotho, or help with projects often turn to us. The last several years have been difficult for the people of Lesotho, as they have suffered from repeated devastating droughts, unemployment and now COVID. As former volunteers and others who care about Lesotho looked for ways to help, many turned to FOL for guidance, and trusted FOL to make the most impactful and cost-effective use of their donations. I feel that level of trust that has been placed in us by the community is proof of the hard work that our board members have put in.

As you all know, FOL has always been an organization whose mission in part has been to support development in Lesotho by providing financial assistance to small grassroots development projects. However, due to COVID and the evacuations of PCVs, we have not received many requests. What we did hear and see was an urgent need to help many Basotho whose livelihoods had been put on hold or destroyed by the pandemic. With lockdowns and border closings many families no longer had an income. Thus, in 2020 FOL sent over \$25,000 to eight different partners in country to buy food for those in need. Over 700 families have received much needed food aid and basic household items. Last fall our online campaign raised over \$12,000 for this cause. Thank you for helping us help our very dedicated community partners.

In addition to food relief FOL was also able to support a number of projects in Lesotho. We were able to provide donations in excess of \$3,000 to three primary schools in Lesotho to help with the repair of old buildings and in the construction of new classrooms.

FOL was able to continue our support of the Ha Ramloloi Community Based Organization in Thuathe. FOL supplied funds to help the organization drill a bore hole to help supply water for a chicken project. Additionally, FOL was pleased to be able to support Justice Kalebe in building the Ha Senkantsi Learning Center. The center will provide opportunities and spaces for educational assistance and community

(continued next page)

President's Message (continued)

development. Through this project, reading and homework clubs have been established in order to create a reading culture and improve literacy and numeracy skills in the community. Lastly, FOL was able to assist the Morija Museum and Archive in its fundraising campaign this year.

We have also been fortunate to continue to help children in Lesotho through our continuing support of the TAP program that provides scholarships for Basotho students to attend High School. The evacuations of volunteers last March presented a unique challenge to facilitating the TAP grants. I am pleased that we were able to provide over 70 scholarships this year. None of that would have been possible without the help of the Maseru Rotary club, the Springfield Ohio Rotary club and the dedicated staff at the Peace Corps Office in Lesotho. I would like to send a special thanks to Deepak Pullanikkatil, Refiloe Tlali, and Clement Lephoto for their efforts in making the delivery of the scholarships possible. FOL continues to maintain a good working relationship with the Lesotho Embassy located in Washington D.C.

As part of our continuing effort to keep as many RPCVs engaged in FOL as possible we have continued to keep membership to FOL free, and have increased our efforts to provide our members updates through email and social media. As with organizations of this nature, our board is constantly evolving and changing, and over the last few years we have welcomed several new members to the board, almost all of whom have served in Lesotho this decade. Getting recently returned volunteers on the board helps keep FOL in touch with issues in Lesotho as well as bringing new and vibrant leadership to the organization.

As I start my fourteenth year on the board and seventh year as president, I would like to take this opportunity to express my extreme gratitude to all the board members for their hard work. I would like to make a special note thanking Richard Rowan for all of his hard work and willingness to take on so many tasks. Richard serves on so many committees and also offers sage advice. I would like to make a special note to thank Drew Williams and the Taipei school for their continued support for the TAP program. I would like to thank our members who make it possible for us to do the work we are able to do. I also appreciate the trust that you place in us, and allow us to be your voice in Lesotho.

Sincerely,

Dr. Scott Rosenberg
Professor of African History
Chair, Peace Corps Prep Program
Wittenberg University
scott.rosenberg@wittenberg.edu

President of Friends of Lesotho
RCPV, Lesotho-1989-91
Honorary Consul, Kingdom of Lesotho

Mission, Purpose, Values, History

Mission

Friends of Lesotho (FOL) is a non-profit organization promoting friendship between the peoples of Lesotho and the U.S.

Purpose

The purpose of FOL is to serve as a point of contact and funding source for scholarships and grants to small development projects in Lesotho.

FOL accomplishes its mission and purpose by:

- Ensuring good governance of the organization with fiscal responsibility
- Keeping members and friends up to date on news about Lesotho, via a quarterly newsletter, website and other social media resources
- Providing members and friends with information on the needs of the people of Lesotho and opportunities for support
- Conducting annual appeals for donations along with a variety of fundraising activities
- Providing direct assistance to worthy projects (i.e., orphan care, HIV/AIDS education, life skills training and education, business development, school repair and construction, scholarships, and other needs as identified)
- Providing oversight and accountability of funds sent to Lesotho
- Reporting to members and friends on the performance of the organization and accomplishments through an Annual Report.

Values

FOL values the friendship between the people of Lesotho and the U.S.

FOL is comprised of both former Peace Corps Volunteers and others who have an interest in Lesotho.

FOL partners with U.S. Peace Corps Volunteers serving in Lesotho, as well as with other individuals and NGOs who seek our assistance and wish to cooperate on joint ventures.

FOL strives to “make a difference at the grassroots level”, funding projects considered too small by major donor organizations. Project funding decisions are reviewed by the Board of Directors, following recommendations from the Donations Committee to ensure projects are worthy of funding and are adequately monitored.

FOL is affiliated with the National Peace Corps Association and has agreements to work through the U.S. Peace Corps Partnership Program in Lesotho. FOL also enters into Memoranda of Understanding (MOU) with individuals and groups sponsoring education and development projects in Lesotho.

History

FOL is a registered nonprofit organization formed in 1985 by a small group of Washington, D.C. RPCVs, most of whom served in Lesotho in the 1960s and 70s. FOL now has members from almost every US State, and from abroad. The all-volunteer Board of Directors and committee members guide the organizational activities by meeting regularly online or by teleconference.

Projects Supported by Friends of Lesotho in 2020

1. COVID-19 Relief for over 700 households

Due to the devastating economic impact that COVID-19 and the lockdowns had on Basotho families, FOL saw an urgent need to help many Basotho whose livelihoods had been put on hold or destroyed by the pandemic. As a result of lockdowns and border closings many families no longer had an income. Thus, in 2020 FOL sent over \$25,000 to eight different partners in country to buy food for those in need.

Over 700 families have received much needed food aid and basic household items. Our partners included:

- the HUB in Morija
- Leratong Community center in Roma
- Malealea Trust
- Mankoe Foundation in Leribe
- Ramabanta Soup Kitchen
- Fobane Primary School in Leribe
- Letsibulo Foundation
- Touching Tiny Lives (TTL), Mokhotlong
- and the tireless Me Monica Letsoha who purchased food for families in Qacha's Nek and Maseru.

People waiting patiently to get their allotment

Walking home knowing that hunger has been vanquished for a few days

Lesotho TV documents distribution of food parcels at Khubetsona Ha Rankhala

2. Tsa Moleka Primary School located in Butha-Buthe

FOL was able to donate funds for the construction of a new classroom, which would allow for the school to provide a better and safer learning environment for its students.

Prior to the construction of this classroom, several classes were crowded into one room that provided little protection from the elements. The entire school had only 3 classrooms for 250 students, which led to severe overcrowding. This new classroom adds much needed space for a more conducive learning atmosphere.

The new classroom is nearing completion

3. Bolula Primary School

FOL donation to help build new classrooms to ease with overcrowding, as Grades 3/4 shared one room, and so did Grades 5/6. Because the school had only 3 classrooms it led to severe overcrowding which undermined students' learning.

Working with recently evacuated RPCV Lily Patterson, FOL was able to contribute to the construction of two new classrooms.

4. Piting primary School in Berea

FOL was able to provide funds to repair one block of classrooms. These repairs included doors, windows, and new rooves.

Piting Primary School buildings prior to renovation

TAP recipients are chosen based on merit and recommendation

5. Tuition Assistance Program (TAP) - 70 students

We have been fortunate to continue to help children in Lesotho through our continuing support of the TAP program that provides scholarships for Basotho students to attend High School.

The evacuations of PC Volunteers last March (2020) presented a unique challenge to facilitating the TAP grants.

Despite being evacuated, twelve volunteers made arrangements so that over 70 students would be able to receive TAP scholarships this year.

6. Ha Ramoloi Community Group

FOL supplied funds to help the organization drill a bore hole to help supply water for a chicken project. This project is designed to enhance capacity building to the community through training on chicken raising and market research. Another stated goal of this project was the empowerment of women in the community. Lastly, the project hopes to serve two hundred and sixty-five (265) beneficiaries from the families of HIV/AIDS and TB patients.

FOL funds made building and equipping this chicken coop possible in 2019

7. Morija Museum and Archives

The Morija Museum and Archives plays a vital role in the maintenance of Basotho history and culture. The Archive is one of the premier collections in Lesotho, containing many documents that cannot be found anywhere else. The Center has put on a number of festivals over the years that celebrate Basotho music and praise poetry. Due to COVID, book sales at the Museum and Archives have virtually dried up.

FOL assisted Morija’s fundraising campaign in the United States, and also donated to help keep the facility open.

8. African Library Project (ALP)

FOL was able to help support ALP which will be hosting teacher-librarian (T-L) training at various central locations in the districts for the remaining T-Ls who have not previously been trained. The majority are from the remote areas in the mountain districts of Lesotho. Previous Lesotho trainings were hugely successful and held at Mafeteng and Berea. We anticipate a Leribe venue for the northern districts, Quthing for the southern districts, and Mokhotlong for the mountain districts. FOL has been a supporter of ALP for several years and we are glad that we are able to continue to support a project that has such a profound impact on the lives and education of Basotho students.

9. Ha Senkantsi Learning Center

FOL contributed towards the construction of the Ha Senkantsi Learning Center. The center will provide opportunities and spaces for young girls and women especially those categorized as under privileged to come together and engage in meaningful exchanges that spark collaborative action including creating self-employability projects that will generate consistent income for their families and community. Through this project, reading and homework clubs have been established in order to create a reading culture and improve literacy and numeracy skills in the community.

Architect's rendering of Ha Sekantsi Learning Center

Like the world over, these children are eager to help when given the opportunity

10. Lesotho Nutrition Initiative

As the result of a very generous gift, which requested that the funds be used to help supply food for children in Butha-Buthe, FOL donated those funds to the Lesotho Nutrition Initiative (LNI) for the purpose of supplying 20,000 meals to children facing hunger in that district.

Fundraising Committee Report

In 2020, FOL continued to use several methods for fundraising, including our traditional end-of-year appeal letter that is sent to all members for whom a physical address is known. For the end of year 2020, we mailed 471 appeal letters. Many FOL members responded to our appeal with generous contributions, raising more than \$10,000 to help support Lesotho.

Crowdfunding is a relatively new fundraising vehicle for FOL. We have had good experiences so far, as this approach seems to appeal to a new set of donors who we previously were less able to reach. In 2020, we conducted two crowdfunding campaigns, one in the Spring and one in the Fall. The Spring campaign raised funds for the Tuition Assistance Program (TAP). It netted over \$15,000.

The Fall crowdfunding campaign was in response to calls from Lesotho for urgent help because of the COVID-19 pandemic. The campaign yielded more than \$12,000, with funds quickly made available to local community organizations, so that they were able to purchase and distribute emergency supplies to those households most in need. It is worth noting that for both the Spring and the Fall campaigns, the actual totals that we were able to collect exceeded our most optimistic goals!

Another major support for FOL's work consistently comes from the students, staff, and parents of the Taipei American School, Taiwan, in support of the Tuition Assistance Program (TAP). This year, they were able to raise an amazing \$ 11,000 to help Basotho children continue their education!

Please find a list of all donors towards the end of the Annual Report.

If you are looking for additional ways to support FOL financially, here are a few ideas:

- Monetary donations of any size are welcome anytime online or by check
- Individuals or groups can organize their own fundraiser. For Walk-A-Thon, Bike-A-Thon, or similar, a FOL resource sheet is available with helpful "How to" instructions
- Invite people to donate to FOL for birthdays or other family celebrations
- Honor departed loved ones by making an "in lieu of flowers" contribution, or by establishing a memorial fund in their name
- Request the FOL *Will and Estate Planning Guide*
- Access the Amazon marketplace through the [Smile.Amazon.com](https://smile.amazon.com) portal

Every donation, big or small, allows us to expand our reach in Lesotho. Contributions are tax deductible to the extent permitted by law, and an acknowledgment for IRS purposes will automatically be made for amounts over \$250, or for any amount upon request.

Friends of Lesotho, Inc., is a registered 501(c)(3) organization, registered in Ohio. Information regarding non-profit organizations registered in Ohio can be found on the Ohio Attorney General website: <https://charitableregistration.ohioattorneygeneral.gov/Charities/Research-Charities.aspx>. Nonprofits in Ohio soliciting donations are subject to Title 17: Corporations - Partnerships Chapter 1716.

Social Media Committee Report

Facebook is the primary platform the Social Media Committee uses to engage with the Friends of Lesotho audience. Facebook has a strong following and each post reaches an average of 560 people, although there is room for improvement when it comes to the engagement of each post.

With the redesigning of the website, there are plans to include the Facebook feed onto one of the website pages. Additionally, the redesigning of the website will hopefully make it an additional primary location to easily post information about opportunities Friends of Lesotho provides.

Overall, the Social Media Committee strives to not only share helpful and pertinent information, but also to serve as a place for communication between Basotho and audience members of other nationalities (primarily Americans). Our goal moving forward is to increase our interactive posts, which will hopefully increase opportunities for such interactions.

Our Facebook link: <https://www.facebook.com/FriendsOfLesotho>

Membership Committee Report

Thank you to all of our lifetime members, members and contributors.

Since 2017, basic membership in Friends of Lesotho has been free. If you are not a member yet, please visit the FOL website (www.friendsoflesotho.org). Under the Support FOL menu item, click 'Join' to fill out the form and register. Members receive the newsletter by email. FOL currently has 730 members.

This coming year FOL will be looking at membership policies. We often get asked to help people find others that they've lost contact with, for instance RPCVs who are trying to find colleagues they served with. If you are trying to get in touch with someone, you can contact us. If we have information about that person, we'll contact them to see if it's okay to share their information. The Membership Committee will be looking at ways to streamline that process over the coming year.

The FOL Membership Committee will also be looking at ways to facilitate the PC 60th anniversary celebrations and FOL's 35th anniversary activities in the coming year.

If your email address or physical address has changed, please send us an email so we can update the database, or access the "Join" link mentioned above. Thank you.

Our Contributors in 2020

Following is the list of the generous contributors who made FOL’s work possible. Thanks to our donors, we were able to provide means for emergency food and necessities for many households worst affected by the deleterious economic ramifications of the COVID-19 pandemic. Donations also allowed numerous Basotho youths to stay in school, and they supported various village-based projects, including school improvements.

Some donations helped provide nutritional food to children and families struggling with the effects of HIV/AIDS. Other donations went to support village-based projects where communities produce their own food.

The generosity of our donors makes a real difference in the lives of many Basotho.

The below list shows donations made during the 2020 calendar year. If you notice any errors or omissions, please contact richard.rowan@friendsoflesotho.org

Ways to Support FOL

Volunteer!

Are you interested in providing more than financial support and would like to assist FOL with your expertise, enthusiasm, and time?

FOL is always glad to get motivated persons on board:

- as Board Members (elected position, 2-year terms; nominations welcome year-round)
- for Committees and Taskforces
- for Special Projects (web development, and similar)-

Attend FOL Board Meetings

You are welcome to sit in on our Board Meetings!

Virtual meetings are held at 8 pm EST on the 3rd Sunday of odd-numbered months.

For more information on volunteer opportunities and to receive Board Meeting details, please contact FOL President Scott Rosenberg (srosenberg@wittenberg.edu)

How to Apply for Funding from FOL

Find all information on what kind of projects that FOL supports, specific funding conditions, and how to apply on our website at: <https://friendsoflesotho.org/apply-for-funding/>
