(Little Angels)*

*Orphan Day-Care Center*

The Day Care Center serves children between the ages of 2-6. They have been orphaned by Aids, or are left in their Community without family support. They are vulnerable to extreme poverty, malnutrition, mistreatment and/or neglect.

We provide them with a safe place to thrive and learn, regular meals and a caring, stimulating environment.

Your donations are welcome and will be used exclusively for the benefit and care of these children.
